

## Preschool Language Play-Group

*RehabWorks for Kids Opelika*

The Preschool Language Group is a play-based group for children with language delay for ages 18 months to 5 years. Groups are lead by a certified speech-language pathologist.

Group focuses on many aspects of language including building vocabulary, following directions, and social language to help increase your child's ability to communicate.

Your child's language skills will be stimulated in a natural/play environment including circle time (with music and story time), movement time, and arts and crafts.
